A three story frame structure, the building itself speaks of less hurried times. The rich wood of the pillars in the lobby compliments the stone of its fireplace. The ballroom facing Lake Michigan also has a stone fireplace. Furnishings reminiscent of the early part of this century create a casual atmosphere in which to meet friends, play cards and board games, read a magazine or just relax.

The 100 foot long front porch is lined with rockers and bathed with breezes off the lake. Step off the porch, down the stairs and cross the road to find yourself on the bluff overlooking the private beach that awaits you.

Lakeside Inn has thirty-one rooms, many facing the lake, each updated with private bath, telephone, TV, heat, air conditioning, and some with refrigerators. We offer five rooms with jacuzzi tubs. An exercise room with a dry sauna is available.

Just across the road from Lake Michigan!

LAKE SIDE INN

Two very different inns, both are reminiscent of an era of casual elegance. Built in the 1920's, renovated in the 90's, each offers a taste of the past with all the amenities of today.

GORDON BEACH INN

Union Pier and Lakeside, Michigan, are quiet, wooded communities on the shore of Lake Michigan in an area known as Harbor Country. For generations the beaches and resorts here have drawn visitors seeking relaxation and recreation.

In recent years Harbor Country has gained quite a reputation for its fine shops, antiques, art galleries and restaurants. Those with a wanderlust, can tour or bicycle the endless country roads that meander through orchard, vineyard, field and wood. Hike, horseback ride, hunt, fish, sail the

lake or swim. Best of all, enjoy the miles of sandy shoreline at your leisure, soaking up sun, walking the beach, or watching a sunset.

Winter holds its own charm in Michigan. Things quiet down as the snow falls. Ice on the lake creates a fascinating landscape of mini mountain ridges. Cross country skiing and winter hikes are the order of the day, followed by a visit to local shops, a romantic dinner, and a cozy evening by our fireplace.
